The screenshot shows the Aswida website interface. At the top left is the Aswida logo. To its right is a search bar with the placeholder text "Search...". On the top right, there is a navigation menu with icons for Home, Marks, Payments, Help Line, and Tutes, along with a notification bell and a user profile icon labeled "A2". Below the navigation bar, the page title "Topics" is displayed. A dropdown menu is open, showing "Topic 1" and "Live class" as options. A red arrow points to the "Live class" option, indicating it is the selected topic.

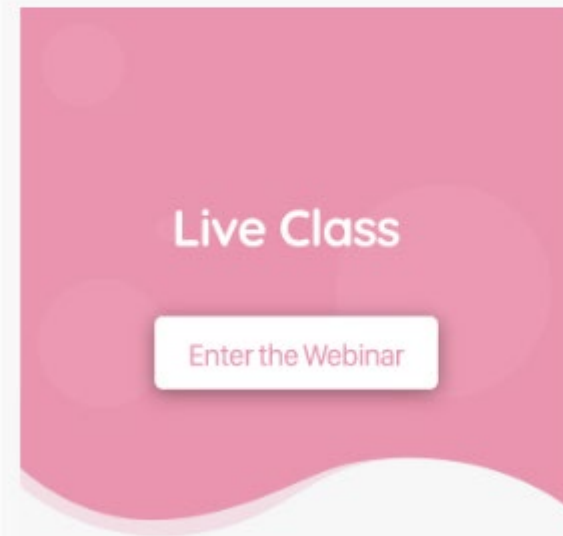

**4. Select the topic “Live Class”**

# 7.You will get directed to the class

The screenshot shows a video lecture interface. On the left, there is a small video feed of a man in a red shirt. The main area displays a slide with the following content:

**Main three functions of a financial system**

- 1) Facilitating supply money to various people and institutions and facilitating to obtain them back when necessary.
- 2) Providing options for risk management of financial assets obtained by people investing their funds.
- 3) Facilitating various households and institutions to fulfill various transactions.

**Main elements of a financial system**

```
graph TD; FS((financial system)) --> CBL[Central bank of Sri Lanka]; FS --> ORB[Other regulatory bodies]; FS --> FM[Financial markets]; FS --> FI[Financial instruments]; FS --> FIF[Financial infrastructure facilities];
```

Kasun Liyanage MBA (Merit) (Sri J), B.Sc MKT (Sp)(Hons-1st class)(SriJ), DipM (UK),MCIM | 64

The video player interface includes a search bar at the bottom left, a taskbar at the bottom with various application icons, and a system tray on the right showing the time as 9:58 AM on 6/20/2022 and the temperature as 86°F.
